**Dues information**

The annual dues cost for faculty members is 0.75% (.0075) of your academic (nine month) salary. Your dues can be paid monthly through salary deduction at 1/12 the annual amount. If you would prefer to write a check in the fall for the year, the amount will be calculated for you. Yearly dues for nontenured faculty are reduced by \$60 after the dues amount is calculated.

Here are some sample figures:

9 Month Pay	Tenured Annual Dues	Untenured Annual Dues
\$40,000.00	\$300.00	\$240.00
\$45,000.00	\$337.50	\$277.50
\$50,000.00	\$375.00	\$316.00

Your dues include membership at three levels: UNO/AAUP membership, national AAUP, and the AAUP Nebraska State Conference. You will receive a subscription to *Academe* with your membership. Tax note: Dues to UNO/AAUP cannot be deducted as a charitable donation but may be deductible as a professional expense.
