

Omaha Metro Bike Blast

Design-a-Bike Rack Project ENTRY FORM

PLEASE PRINT

Explanation of Theme/Concept:

Artist Name(s) _____

Address _____

Phone: _____

Email: _____

Title _____

DEADLINE APRIL 10, 2009

DESIGN GUIDELINES:

• Dotted areas are maximum dimensions.

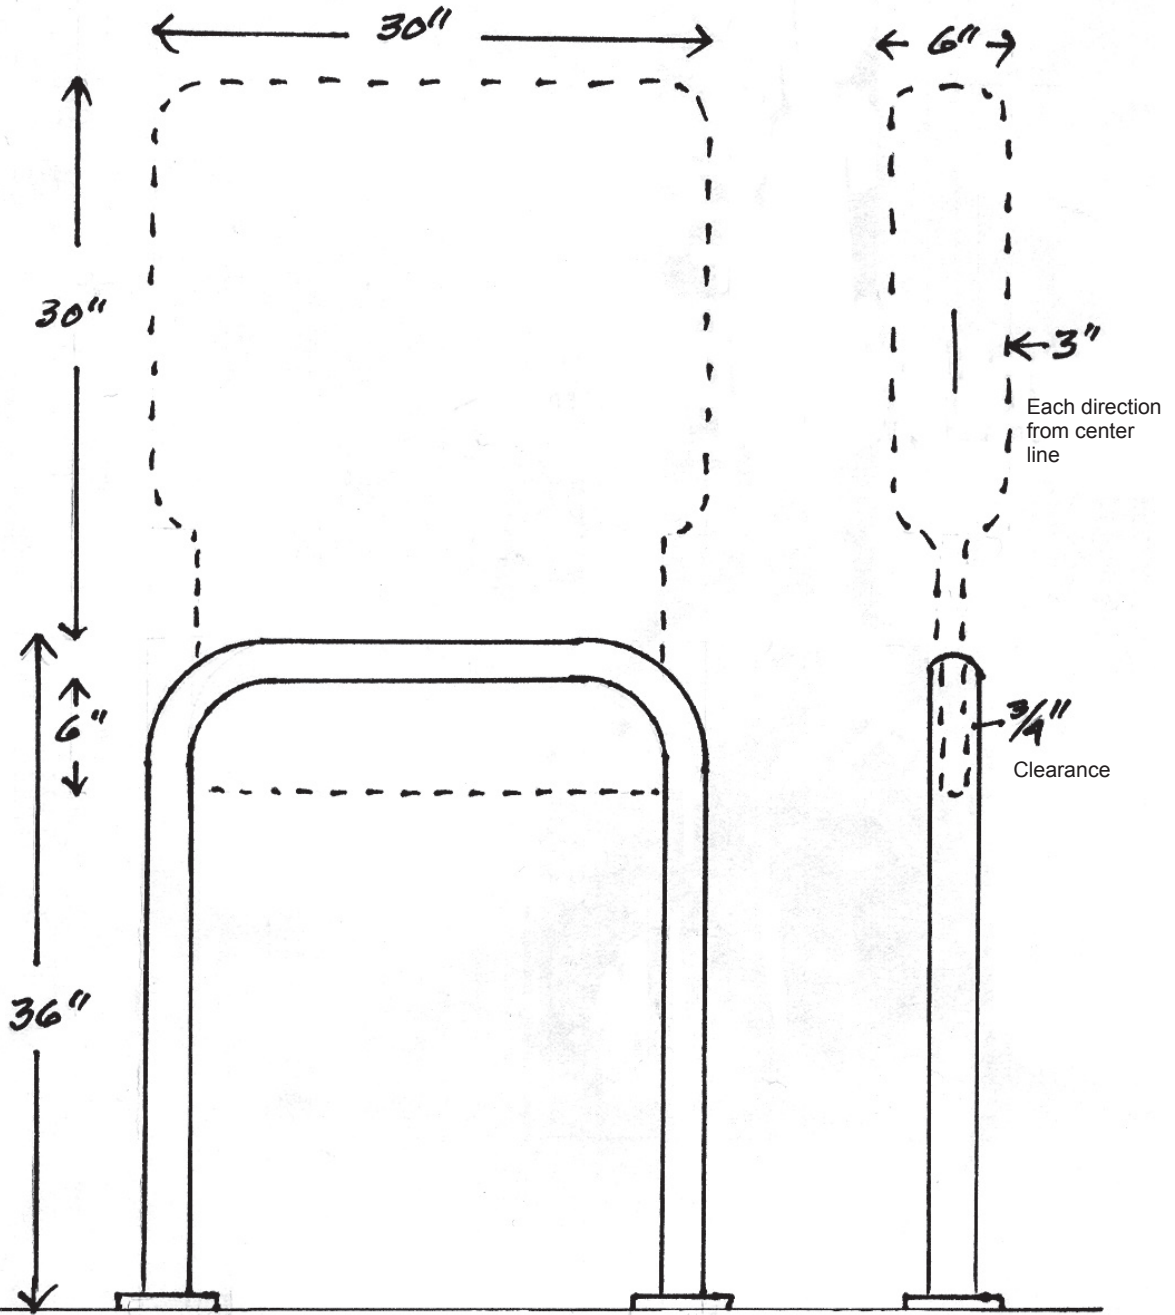

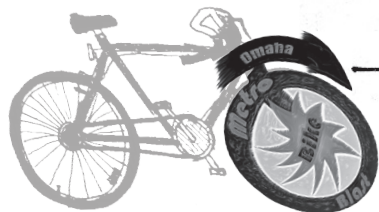

• Round tubes are 1.5" dia. O.D. - additions need to be at least 1/8" thick steel with no sharp edges.

• All surfaces, including pipe frame, need a finish-compatible primer and a finish coat to prevent rusting (powder-coat or paint).

• Design must be appropriate for public display.

• **Questions:**
lesbruning@cox.net

Submit up to three designs (use separate entry forms for each design). Separately, include a 1-page, 8 1/2"x11" bio page with name, address, phone number, email at the top; a short biographical statement with education background/relevant personal info. Mail to: Bruning Sculpture • 1010 N. 13th • Omaha, NE • 68102
