Facilitated Discussion – Lunch Provided

The recent UCAT Designated Conference facilitated by Dr. Marc Chun taught participants not only how to create rubrics to assess performance tasks in the classroom, but also how to evaluate those rubrics for reliability.

The session prompted discussion and questions about developing effective performance tasks, evaluating and revising those tasks, challenging our own grading assumptions, and creating reliable assessment tools.

If you would like to continue those conversations, we invite you to join us for lunch and an informal discussion of classroom assessment.

To register, please contact the Center for Faculty Excellence at:
554-2427 or unofacdev@unomaha.edu
