A black and white photograph of a person's hand writing on a notepad with a pen. The pen has 'UNO WRITING CENTER' written on it. In the background, there is a white container and a keyboard. A large red circle is overlaid on the right side of the image, containing the text 'Welcome to the UNO Writing Center!' in black font.

UNO WRITING CENTER

Welcome to
the
UNO Writing
Center!

We help all writers of all ability and experience levels:

- **First years**
- **Sophomores**
- **Juniors**
- **Seniors**
- **Returning students**
- **Graduate students**
- **Faculty**
- **Experienced writers**
- **Multilingual writers**

From pre-writing to the final draft . . .

Our goal is to help you become a more confident, independent writer.

We help with papers, cover letters, citations, personal statement, resumes, reading assignments, and more.

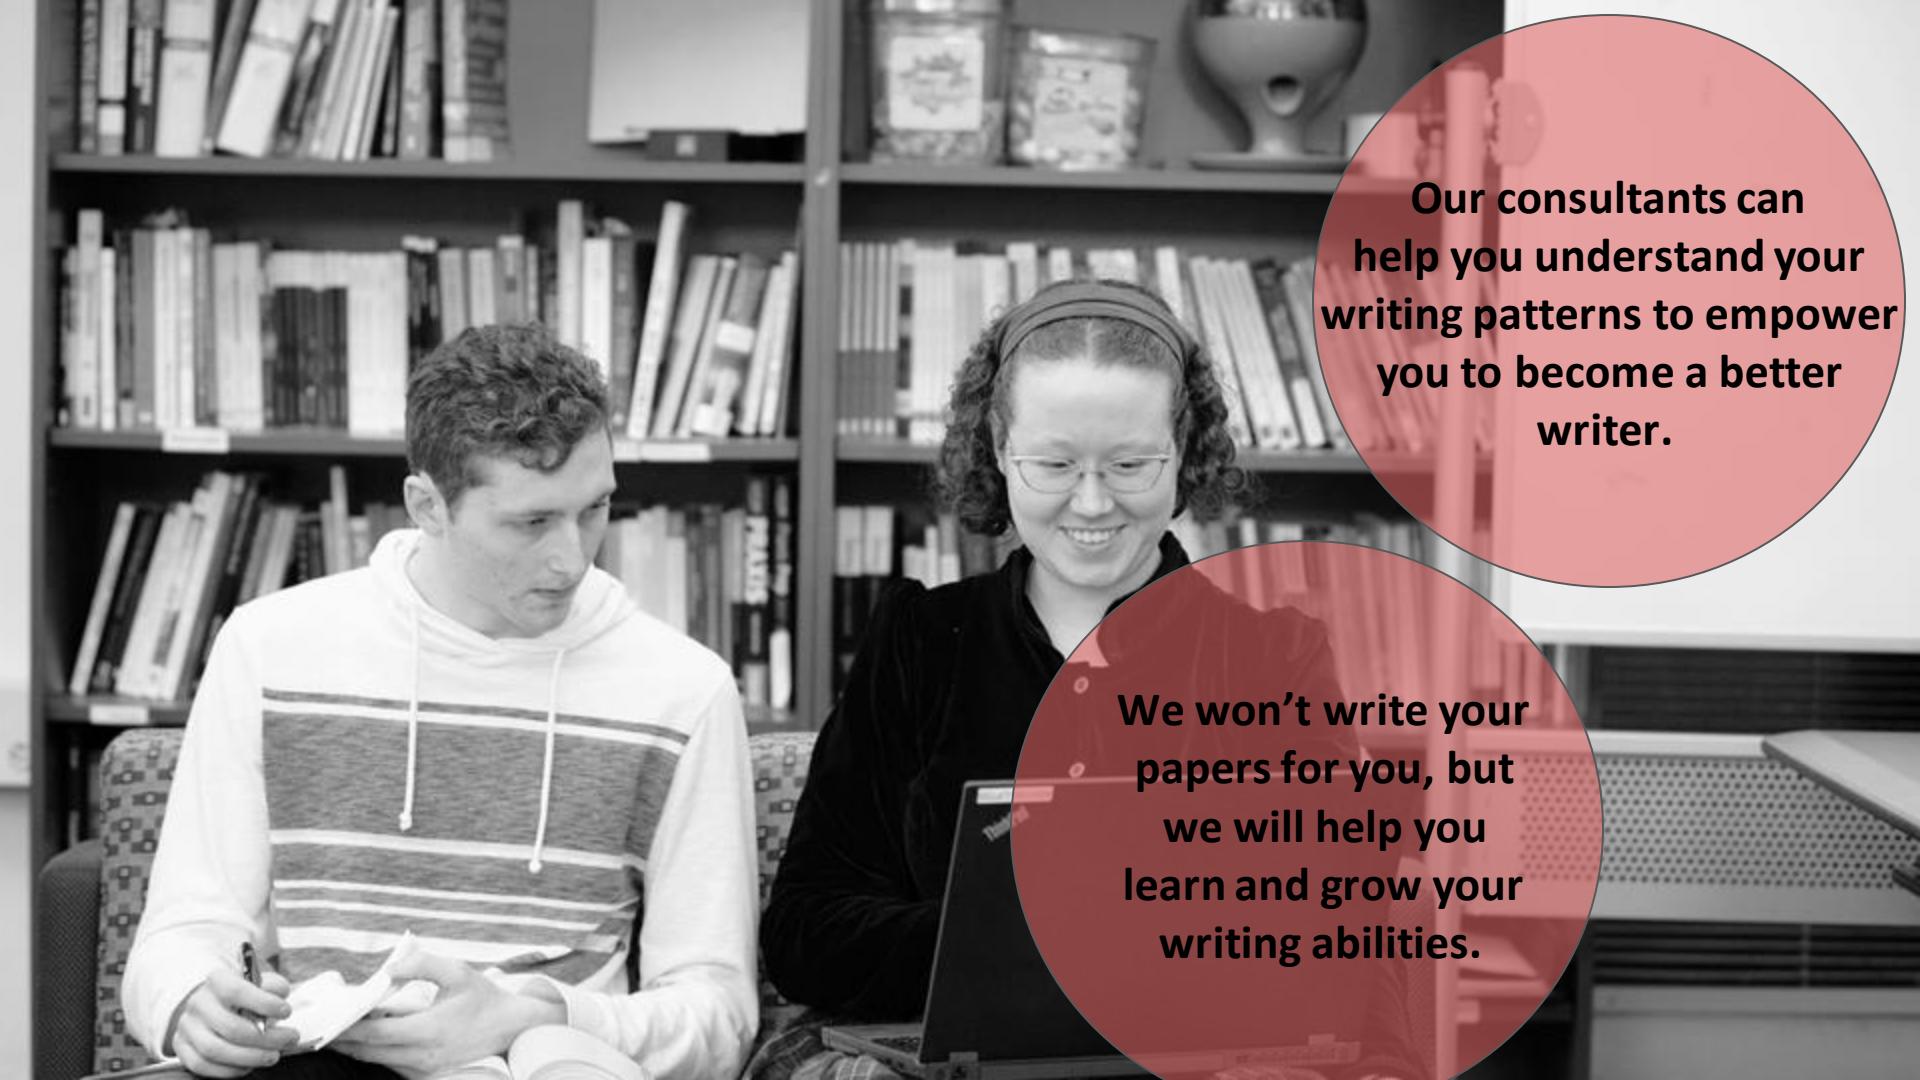

Our staff consists of undergraduate consultants, graduate teaching assistants, and graduate consultants all trained equally to help you with your writing.

All writers, whether experienced or new to academic writing, can benefit from additional feedback from another writer.

**We are happy to help you
at any point of the writing
process! We are here to
work with you on whatever
you need!**

Our consultants can help you understand your writing patterns to empower you to become a better writer.

We won't write your papers for you, but we will help you learn and grow your writing abilities.

During the appointment, you will work directly with the consultant.

The Writing Center is not a drop-off editing service.

We ask that you are present and active during the appointment.
