Director, University Honors Program

Date

Return the completed contract to the Honors Program Office, KH 208. Be sure that you have supplied all of the required information and signatures.

Failure of student to complete extra requirements for honors credit will not affect regular course credit and grade.

Courses for honors contract credit may not be taken credit/no credit and must earn a grade of at least B or higher.

To receive Honors contract credit, all work must be completed during the semester of initial enrollment and all deadlines must be met; student must complete self-assessment by semester's end (see Honors Contracts booklet [available on MavSync] for full details).

In the space below, the Honors student should write a 100 word or more description of the work to be undertaken in order for the course to earn Honors credit. Any work proposed below must be clearly differentiated from and exceed the requirements of the course itself.

Deadlines: The student should specify stages and projected deadlines briefly.

Instructor: Please review and respond to the above (instructor may wish to clarify elements of the student description/establish additional expectations/stages):

Assessment:

Both the instructor and student should complete the Contract Assessment Rubric (received by e-mail or available on the Honors program MavSync page)

STUDENT must submit the self-assessment NO LATER THAN the last day of class in the semester in which the contract is undertaken.

INSTRUCTOR should submit the assessment in the same semester in which the student undertakes the work and NO LATER THAN the end of the first week of the following semester.
