UCTEMP1017

# The UNO Speech-Language Clinic is open to the public and serves clients with a variety of speech-language disorders across the lifespan.

- Diagnostic and therapeutic services are performed by student clinicians, supervised by licensed, ASHA-certified speech-language pathologists (SLPs).
- Through clinical experiences, students learn specialized skills and develop professional dispositions while offering valuable services to Omaha families and individuals.
- Graduate student's clinical experiences are integral to the overall graduate curriculum.

## QUALITY & ACCREDITED

- The UNO Speech-Language Clinic is committed to the highest level of customer service.
- The clinic is coordinated by the speech-language pathology program within the Department of Special Education and Communication Disorders.
- The speech-language pathology master's program is accredited by the Council on Academic Accreditation in Audiology and Speech-language Pathology (CAA).
