

Supplies and Expendable Property
Guidelines for Supplies and other Expendable Property
Purchased with Federal or Federal-Pass-Thru Funds

Title to supplies and other expendable property vests with UNO upon acquisition.

Please contact grants Accounting if the residual inventory of supplies exceeds \$5,000 in total aggregate value upon completion of a Federally funded grant or contract. The supplies can be used for other Federally funded programs. The Federal Government must be compensated for the supplies if they are used for non-federal-sponsored activities or if they are sold.
