

## Student Employment Services

### WHAT JOBS ARE AVAILABLE?

- Currently enrolled students can view and apply for student worker, work-study student worker, and graduate assistant positions on the web.
- Create one student application—apply for many on-campus student jobs.

### HOW DO I APPLY?

- Log on to <http://careers.unomaha.edu>  
(There is *no* www prefix!)
  - New Users click “Create Application.” Click **FAQS** for helpful tips.
  - Creating an application takes about 30 minutes. You can save what you have done and return later to finish your application if needed.
  - Returning Users click “Login” and enter user name and password.
  - Search postings, view positions and apply.

### WHY SHOULD I CHECK OUT STUDENT EMPLOYMENT?

- On-campus student employment is more than just a paycheck—it provides experience, opportunity, and education, as well as income.
- Connect with the campus, collaborate with fellow student workers, and create a place for yourself at UNO.
