NAHPERD Special Project and Research Grant Program Requirements

Report to NAHPERD

Not more than 90 days after completion of the project, applicants who receive funding must submit a detailed report of the project to the chairperson of the Grant Review Committee. The following topics should be addressed: (1) purpose of the project, (2) implementation procedures, (3) results of implementation and (4) discussion of the value of the project to the profession, (5) and state how money was used.

Applicants who receive funding are required to present information regarding the project at the annual NAHPERD convention following completion of the project.

Applicants who receive funding are required to submit an article to the NAHPERD Newsletter or other professional journal wherein information regarding the project can be disseminated.

Applicants who receive funding are expected to credit NAHPERD for contribution to the project in any and all dissemination activities.

Recovery of Funds

In cases where financial support from NAHPERD has been a significant factor in the production of books, computer programs, video or audio tapes, inventions or other items which bring the applicant a financial return, applicants are expected to reimburse NAHPERD for costs incurred that were financed as a result of the grant,

In cases where funds awarded by NAHPERD are greater than project expenditures, applicants are expected to return unencumbered funds to NAHPERD within 90 days following completion of the project.

I understand the above requirements and agree to fulfill them as a condition for receiving NAHPERD grant monies.
