

Volunteer Expenses

The State of Nebraska requires that all State Agencies segregate volunteer costs. Volunteer Programs/Activities subject to Nebraska Statute 81-1182.01 are those which include volunteers and providers performing services for which they are not paid and the University incurs expenses. Faculty, staff and students are not volunteers. Also, advisory functions provided by non-University personnel are not considered volunteer programs/activities.

Two general ledger accounts have been established to record volunteer program expenses:

- 523606 - Volunteer Miscellaneous Expenses
- 541510 - Volunteer Travel Expenses

Specific questions concerning what constitutes volunteer costs, should be addressed with Teresa Carlson 402-554-4937 tcarlson@unomaha.edu or Ken Hultman 402-554-3514 khultman@unomaha.edu
