

Psychology Department Lecture – Lab Pairs

The semester a course is offered is based on a typical academic years offerings.
These lectures and labs may be offered in other semesters if resources allow.

UNO undergraduate psychology majors will receive notifications
in their UNO e-mail accounts mid Spring & mid Fall semesters
that wait lists have been started for the Labs being offered the following
semester (example: Spring wait list notifications are for Fall labs).

PSYC 3130 (Statistics) and PSYC 3140 (Methods) are also pre-reqs for the Lab Courses.

Pre-requisite Lecture Courses	Lab Courses
<p>PSYC 4020 Learning Lecture (Spring semester)</p>	<p>PSYC 4024 Learning Lab (Fall Semester)</p>
<p>PSYC 4070 PSYC 4090 PSYC 4210 Cognitive <i>or</i> Cognitive Neuroscience <i>or</i> Sensation & Perception (Fall semester) (Fall Semester) (Spring semester)</p>	<p>PSYC 4074 Cognitive Lab (Spring semester)</p>
<p>PSYC 4070 PSYC 4090 PSYC 4210 Cognitive <i>or</i> Cognitive Neuroscience <i>or</i> Sensation & Perception (Fall semester) (Fall Semester) (Spring semester)</p>	<p>PSYC 4214 Sensation & Perception Lab (Fall semester)</p>
<p>PSYC 4230 Behavioral Neuroscience (Fall semester)</p>	<p>PSYC 4234 Behavioral Neuroscience Lab (Spring semester)</p>
