BILLING NOTICE

The University generates your tuition and fees billing statement in an electronic format (E-Bills). E-mail will only be sent to your UNO E-mail account to notify you that a billing statement has been generated and is available for viewing or printing.
from MavLINK. Billings are generated on the last business day of the month in which the semester begins and are due on the 23rd of the following month. Please visit http://cashiering.unomaha.edu/ for any announcements. In addition, tuition and fee refunds can be directly deposited to your checking or savings account by enrolling via MavLINK. This process saves mailing time, getting your refunds to you more quickly.

The Office of the University Registrar strives to provide high quality enrollment services to UNO students. We will be using your UNO e-mail account as the primary communication vehicle for important enrollments services announcements. If you have questions about your UNO e-mail, check this website.
