Project Description	Possible Academic Discipline(s) for partnership	Projected Start Date or other time considerations	Please Prioritize this project: 1=very important, 2=moderately important, 3=less important or can be done another way.
<p>Developing the "message" of Take Flight Farms - We need a written piece that clearly explains who we are, what we do and why we are of value to our community. It must be simple yet effective. THIS IS ACTUALLY MUCH MORE DIFFICULT THAN IT SEEMS!</p>	<p>Communications Public Relations Media/Writing Advertising</p>	<p>Summer or Fall, 2007</p>	<p>1</p>
<p>Capturing the "essence" of Take Flight Farms in photos - We need individuals with a talented eye in photographing difficult subjects. Clients and horses involved in action-filled sessions make for tough images to photograph! We want to capture the essence of our sessions and activities as they occur at the farm. Individuals must be willing to sign a release, as well as be able to work without disturbing session activities.</p>	<p>Photography Graphic Design?</p>	<p>Spring, Summer or Fall, 2007</p>	<p>2</p>
