Fire

You must exit your apartment when a fire alarm is sounding in your building. Report to the Scott Village Commons building. Lock your door and take your keys and ID with you. Do not take the elevator.

Power Outage

If you experience a power outage please contact the 24 hour front desk to assist you.

Maintenance

Please contact the 24 hour front desk for all maintenance emergencies. Maintenance emergencies include broken doors, locks, heating or cooling issues, utility issues, flooding or water overflow issues.

Natural Gas

If you smell natural gas, leave the apartment. Do not use a light switch, telephone or cell phone.

Tornado

Students will be notified of a tornado warning via the campus emergency system speaker in every apartment. All students should go to the long hallway on the first floor of their building.

Winter Weather

Check the UNO website for any specific information about classes being canceled. You will receive a UNO text alert in the case of classes being canceled if you've signed up for that service.

UNO Lockdown

In the event of a hostile or emergency situation on campus or in the surrounding community, the University may enact "Shelter in Place." The "Campus Wide Alert System" would instruct all members of the community to stay in place. All residents and staff members should follow the directions given through the broadcast system.
