We round out our days with arts & crafts and special interest sessions based on our themes and always include a field trip each week. Parents will be notified in advance of our fieldtrip destinations.

## MAV KIDS STAFF:

These college students work hard to make your child's summer safe and enjoyable. Both highly motivated and energetic people, the counselors attend a week-long training orientation to ensure a high quality staff and supervision. All counselors are CPR and First Aid Certified, and certified lifeguards will be on deck for all pool activities.

## LUNCHES/SNACKS/PROGRAM LOCATION:

All participants will need to bring their own lunch every day. Water and snacks will be provided throughout the day. The majority of the activities will take place in the Health, Physical Education, and Recreation (HPER) building, the Milo Bail Student Center, the surrounding UNO Campus, Memorial Park, and Elmwood Park.
