- Return the completed contract **electronically** to the Honors Program at lxmorrison@unomaha.edu; all contracts **must** be submitted by instructor. Paper copies will not be accepted.
 - Failure of student to complete extra requirements for honors credit will **not** affect regular course credit and grade; all Honors contract work must be entirely **separate** from course requirements/assignments.
 - Work must be completed during the semester of initial enrollment and **all** deadlines must be met. Courses for honors contract credit may not be taken credit/no credit and must earn a grade of at least B or higher in accordance with the instructor's grade expectations.
 - Honors credit will be awarded **only** if the student satisfies the instructor's expectations in terms of content **as outlined in this contract** and discussed over the course of the semester.
 - Contracts are available on courses up to and including 5 credit hours. Student **must** complete self-assessment by semester's end.

Work Description: In the space below, the Honors student should write a 100 word or more description of the work to be undertaken in order for the course to earn Honors credit. **Any work proposed below must be clearly differentiated from and exceed the requirements of the course itself.**

Deadlines: The student should specify stages and projected deadlines briefly.

Instructor: Please review and respond to the above (instructor may wish to clarify elements of the student description/establish additional expectations/stages):

Assessment:

Both the instructor and student should complete the Contract Assessment Rubric (received by email). **STUDENT** must submit the self-assessment NO LATER THAN the last day of class in the semester in which the contract is undertaken.

INSTRUCTOR should submit the assessment in the same semester in which the student undertakes the work and NO LATER THAN the end of the first week of the following semester.
