

# NE STEM 4U

## MENTORS WANTED

The **NE STEM 4U Program** is an afterschool program utilizing UNO undergraduate students as mentors to serve K through 8th grade youth in a hands-on, minds-on learning style around STEM!

### Do you

- Have an interest in teaching?
- Want to build skills in communication and problem solving?
- Have a passion for sharing STEM in fun, engaging, hands on ways?
- Want to build catapults, launch rockets, and construct bridges?
- Feel like isolating DNA from fruit, making ice cream, or exploding a volcano?
- Want to help foster curiosity and confidence for STEM to youth?

**Sound like you? Apply to be a NE STEM 4U mentor today!**

### How to Apply

Please submit a Resume and a 1-2 paragraph explanation of why you would like to join the program to NE STEM 4U Program Coordinator, Nik Stevenson at [nstevenson@unomaha.edu](mailto:nstevenson@unomaha.edu).
