

## 2017-2018 Approved Course Related Lab Fees

In addition to tuition and student fees, certain courses may be assessed special fees related to that course. These fees can include cost of laboratory equipment, special materials used by students, materials used by the instructor to present the course, or trip fees. Trip fees may not include deposit and may change based upon the department and the trip costs. All fees are flat fees unless designated "per credit hour."
