In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA) and University policy, an information release form needs to be signed by the student to authorize the University to release information to the designated person(s) listed. This form must be filed by the student with each office which is being requested to share academic or financial information with a third party. FERPA rights apply once a student reaches the age of 18 or begins attending classes at the University of Nebraska Omaha (UNO). This form will be in effect until written notice is received to remove it. Please note that while this form authorizes University of Nebraska at Omaha to release education records to third parties, it does not obligate UNO to do so. For additional information, visit UNO’s FERPA website at http://registrar.unomaha.edu/ferpa.php.
