## Student Account Billing

The Cashiering/Student Accounts Office (CSA) generates monthly e-bill statements on the last business day of the month. Students can view their e-bill through MavLINK at [mavlink.nebraska.edu](http://mavlink.nebraska.edu). The billing statement contains a list of charges and payments, the amount owed, and due date. Penalties are assessed and holds blocking future enrollment are placed until the balance is paid in full.

Students are notified via their UNO email account only when e-billing statements are available. Statements are located on the 'My Account' tab under 'Student Accounts' in MavLINK. The most recent invoice is displayed at the top, or you may select 'View All' invoices. Any unpaid and unbilled balances receive a monthly e-bill.

The screenshot shows the MavLINK interface. On the left is a navigation menu with 'Student Accounts' highlighted. The main content area displays 'My Balance' as \$150.00 with a 'MAKE A PAYMENT' button. To the right, an 'Invoices' table lists one invoice: Last Invoice Date 12-21-2021, Invoice Due Date 01-23-2022, and Total \$150.00. A 'View All' button is located below the table, highlighted with a red box and a red arrow.

*If your plans change and you decide not to attend UNO, you **must** withdraw from classes using the official withdrawal procedures outlined by the Registrar's Office or you may still be responsible for all tuition and fees assessed. Information regarding withdrawal is located at <https://www.unomaha.edu/registrar/students/after-enrollment/adding-swapping-dropping-or-withdrawing-from-a-course.php>.*

## Third-Party Payments

It is the student's responsibility to provide the necessary paperwork to the Cashiering/Student Accounts Office if a third party (another state agency, your employer, etc.) is to be billed for your tuition and fees. The paperwork must be received by the stated payment due date each semester. Students must make the payment required by

the due date if the paperwork is not submitted on time. Students that receive reimbursement from their employer for tuition and fee costs after grades have been issued, MUST meet the regular payment deadline set by UNO to avoid any penalties. Review the information below on the employer reimbursement program to determine eligibility for the program.

### Employer Reimbursement Deferred Payment Plan (ERDPP)

Students may be eligible for ERDPP if their employer pays part or all their educational tuition and fees after the semester has ended. Any tuition and fees not covered by employer reimbursement are due and payable based upon stated tuition due dates.

An ERDPP application must be submitted for each term the student will utilize this program along with the non-refundable \$50 application charge. The following are the deadlines for submitting an ERDPP application:

Spring Term	February 15th
Summer Term	May 15th
Fall Term	September 15th

Benefits of the ERDPP program include late payment fees suspended for the term you are participating in and no past due hold barring pre-registration for the next term (unless you are responsible for other charges not covered by ERDPP on your account).

### Returned Payment Policy

When a check or e-check payment is returned unpaid to UNO for any reason, a non-refundable \$30 returned payment fee is applied to the student account for each item returned. The student will receive notification in writing and will have ten (10) business days to make full restitution of the amount paid plus the returned check fee. Acceptable methods of payment are cash, money order, or cashier's check. Students that have 3 or more returned check/e-check payments may have their check/e-check privileges suspended for up to two years.

### Financial Aid

Anticipated aid may appear on the billing statement if the Office of Financial Support and Scholarships indicates there is pending financial aid for the current term that has not yet posted to the student account. Anticipated aid may be taken into consideration when determining the amount due for the billing period. Therefore, please review your statement carefully as payment in full may be required by the stated due date.

Your financial aid may be adjusted due to changes in your cost of attendance (COA). Please contact the Office of Financial Support & Scholarships if you have question regarding any adjustments in your aid.

Contact the Office of Financial Support and Scholarships to determine the status of your financial aid if it has not credited to your student account. Their office is in the Eppley Administration Building, Room 103. You may also contact them by phone at 402-554-2327 or email at [unofinaid@unomaha.edu](mailto:unofinaid@unomaha.edu).

Audit Registration must be completed before the drop/add period ends for the course to qualify for the audit rate. In addition, students registering for audit must pay the appropriate student fees. Registration for audit requires the permission of the instructor and is subject to available class space after credit registration ends. The Distance Education fee provides resources needed for developing and supporting a course that significantly utilizes online learning technologies. Specifically, the costs associated with instructional design and support, faculty development and training, accessibility and other quality standards, course development, and learner orientation, communication, and support. This fee is assessed on 820, 850 and 860 course sections.

- Transportation Services
- Campus Recreation
- A wide variety of activities and programs affiliated with the Milo Bail Student Center

UPF fees are divided into two separate funds: Fund A and Fund B student fees.

The Fund A portion of the UPF fees is established and allocated by the elected Student Government subject to the approval of the Chancellor in accordance with Board of Regents policy. Fund A student fees (\$21.60) are refundable upon request by applying at the Cashiering/Student Accounts Office during the third through sixth weeks of the fall and spring semesters, or during the third week of each session during the summer semester. Students requesting a Fund A refund will no longer be entitled to the student activities supported by Fund A student fees.

The Fund B portion of the UPF is designed for services, staff salaries, maintenance of facilities and related expense, and those additional items designated by the Chancellor. This portion is budgeted separately with emphasis upon continuing support. The Vice Chancellor for Student Affairs submits the projections to the President and the Board of Regents for their final approval. Fund B student fees are not refundable unless the student drops classes during the first week of the semester.

## New Student Enrollment Deposit

The enrollment deposit is assessed as a one-time charge of \$100.00 to all newly enrolled undergraduate students during their first semester. This fee supports efforts to effectively plan for class offerings and student resources for each semester.

## Late Payment Fee

Each time a student does not make a required payment by the stated payment due date, a late payment fee is assessed. A student can receive up to four (4) late payment fees each semester for a maximum of \$200.00.

Students are responsible for making sure mailed payments are received in the UNO Cashiering/Student Accounts Office by the stated payment due date. Postmarks that are on or before the due date will not prevent the assessment of a late payment fee. Failure to receive billing statements does not excuse students from payment responsibility, nor from late payment fees.

## Other Department Charges

Other department charges include but are not limited to parking permits and fines, housing charges, student health charges, and bookstore charges. If you have a question about a charge on your student account, please contact Cashiering/Student Accounts at [unocsa@unomaha.edu](mailto:unocsa@unomaha.edu) or 402-554-2324. Specific questions regarding charges should be directed to the specific department initiating the charge.

## Student Refunds

Withdraw dates are figured from the official beginning of the session in which the class is offered as stated in the University's academic calendar, not from the beginning of students' individual class schedules. Refunds are computed from the date the withdrawal is received by the Registrar, NOT from the date of withdrawal from classes. For specific withdrawal dates, please refer to the student schedule in MavLINK or by visiting <https://www.unomaha.edu/registrar/students/after-enrollment/adding-swapping-dropping-or-withdrawing-from-a-course.php>. Withdrawals not made on or before the stated refund dates will result in the grade of "F".

Students may use MavLINK to change their schedules. Any students needing assistance with withdrawing from any class can contact the Office of University Registrar at [unoregistrar@unomaha.edu](mailto:unoregistrar@unomaha.edu) or 402-554-2314.

Students paying tuition and fees on a deferred payment basis or under any other loans granted by the University, and who withdraw before the account is paid in full, are not relieved from payment of the balance due. Consult with the Office of Financial Support and Scholarships to determine the withdrawal implications that may be applicable to you based on Department of Education guidelines.

UNO's preferred method for issuing student refunds is through direct deposit. This must be set up by the student via MavLINK. Detailed instructions on how to set up Direct Deposit are located at <https://www.unomaha.edu/accounting-services/cashiering-and-student-accounts/tuition-fees-and-refunds/index.php>. Your refund will be delayed by 7 days to allow you time to enter your banking information. If

you choose not to provide your banking information, your refund will be issued by paper check and mailed to your current or permanent address on file.

## Appeals Process

An appeals process exists for students who feel that individual circumstances warrant exceptions from published charges and refund schedules. Individuals who desire to file an appeal should direct their requests to the Office of the Registrar, Eppley Building 105, phone 402-554-2314. Additional information regarding student appeals is located at <https://www.unomaha.edu/registrar/faculty-and-staff/additional-information/student-appeals-process.php>.
