

UPFF Fund A Fee Refund Application

The UPFF Fund A fee is administered to support the following student activities at UNO:

Student Government (including Student Legal Services)

Maverick Productions

The Gateway Newspaper

The revenue collected from this student fee fully funds all of the above entities, including staffing and operations. This includes funding for student legal representation at no cost, attendance at programs/activities sponsored by these entities including concerts on campus, guest speakers, student events, digital and print copies of the student newspaper, and other student-led programming.

I hereby request a refund of the University Program and Facility Fee – Fund A (\$20.02) for the current semester. I understand that obtaining this refund impacts the revenue available to support the above entities, and may impact my ability to participate in and/or access services provided by these entities.

I understand that if there is balance on my student account for the term the Fund A refund is being requested, a credit will be applied to my account balance instead of a refund being issued.
