UNO e2Campus Emergency Notification System

In an ongoing effort to better disseminate information during campus emergencies, UNO has implemented the e2Campus Notification System. Notifications will only be sent in the case of a potentially life threatening circumstance. No advertising or non-emergency messages will be sent. To receive these emergency messages, you must be registered.

The alerts are delivered via the following methods:

- Mobile Phone (as SMS text messages)
- E-mail
- Text Pager
- Blackberry

Please Note:

- This service is completely voluntary.
- You will need to register at the start of each fall semester.
- You are responsible for messaging charges from your wireless service provider(s).
- You will not receive messages for which you did not register.
- Your information is not shared with nor sold to third parties.

SMS Text Messaging

1. Please make sure your cell phone is on.
2. Bring up a browser on your computer (Internet Explorer, Firefox and etc).
4. Scroll down to “Click here to get started and sign up now”.

![e2Campus Sign Up Page](image-url)
5. Fill out the fields provided: your username, first name, last name, a password that you create, and then verify the password.

6. Enter your cell phone number and select the carrier, Verizon, AllTel, AT&T and etc., from the drop down list.

7. Select UNO Alert Optional Group.

8. After you complete the form, click "Create Account".

9. Your cell phone will receive a text message similar to:
   "From gateway@gw.omnilert.net"
   (Service Validation)
   e2Campus Validation
   Code: xxxx (x’s will represent numbers)

10. Your browser will display this image. Type the code shown on your mobile phone into the space as shown below then click the “Validate” button.
11. After you enter your code, your browser will display a screen showing that you have successfully signed up (see below).

ADDITIONAL OPTIONS

1. You may add an additional cell phone to your account (up to a total of 2) for a parent, spouse and etc. Simply click the “login” link on this page (see arrow above). Log into your newly created account, click the Services tab and repeat step #8 above.

   Please remember to coordinate with your parent or spouse on any secondary cell phone additions to your account as they will receive a message requesting confirmation.

2. You may also add campus text pagers to your UNO e2Campus account instead of cell phones. You must identify them as a cell phone as a notification means. To do so, repeat step #8 above and simply enter your 402888xxx pager number and select ATS Beep as the carrier. Then click “Add”. Your pager will receive a text message similar to:

   "From gateway@gw.omnilert.net"
   (Service Validation)
   e2Campus Validation
   Code: xxxx (x’s will represent numbers)

   Your browser will display the same screen as in step #11 on page 2. Type the code shown on your pager into the space as shown then click the “Validate” button. After you enter your code, your browser will display a screen showing that you have successfully signed up.
**Email Accounts**

1. You may also add up to 2 email addresses to your UNO e2Campus account. 
   a) Log into e2Campus. 
   b) Click the “Services” tab. 
   c) Add the email address in the space provided (see arrow below) and 
   d) click the “add” button.

   ![Image of e2Campus interface showing email addition process]

   This will generate an email message to that email address.
2. Go into that email account’s in-box. You should see an email from e2Campus (See example below).

5. Open the email and follow the instructions (click on the link in the email to validate).
6. Next, you will see the following screen on your browser showing that your email address has been successfully verified (see below).

![Validate Email](image)

7. To add another email address, log in again, go to the Services tab and add another email address.

This completes registration instructions for UNO’s e2Campus Emergency Notification System.

You can log into the UNO e2campus Emergency Notification System at anytime to make modifications to your account.

Please contact the UNO Information Center (402) 554-3036 or ITS HelpDesk (402) 554-4357 with any questions.
