PARKING SERVICES

The University of Nebraska at Omaha (UNO), through the Board of Regents, is authorized to establish traffic and parking regulations and provide penalties for infractions. It is the function of UNO Public Safety and Parking Services to administer and enforce all traffic and parking regulations on properties owned, leased, and/or contracted for use by the Board of Regents of UNO.

Suggestions regarding parking should be sent to the Parking Services Manager, 1313 South 67th St. Omaha, NE 68182, for consideration. Parking Services is open 8 A.M. to 5 P.M., Monday-Friday; (402) 554-PARK (7275). When visiting Parking Services, please park in the Pacific St. Garage. A 15 minute grace period will be in place while at our office.

All information regarding parking at UNO must be obtained from UNO Parking Services. Incorrect information received from any other source is not considered a valid defense for parking violations. All Parking Services communications regarding tickets, permits and tow notices are sent to your UNO email account. Failure to read/understand the rules & regulations contained within does not remove responsibility for any violation-incurred fines.

Parking on campus is a privilege, not a right. UNO parking permits do not guarantee a place to park on campus at any time. Parking in the interior lots may be difficult. Allow sufficient time to park and walk to your destination. Parking is on a “first come, first serve” basis with the required permit. Failure to abide by these parking regulations may cause revocation of parking privileges on campus. Lack of available parking is not a valid reason to park illegally. UNO parking regulations are enforced year round.

I. GENERAL PARKING INFORMATION

A. No vehicle may park on UNO campuses without a parking permit, purchased pay-to-park time, or authorization from Parking Services.
B. Faculty/staff/students/residents will be held responsible for all parking violations involving their vehicles or any vehicle they operate on campus property. If any vehicle is in violation of any of the regulations contained herein, the person whom the UNO permit is issued, the registered owner or vehicle operator, shall be responsible for its presence on campus and the violation. If the vehicle is not registered with Parking Services, and no permit is linked to the vehicle, the presumption is that a faculty/staff/student, or resident is responsible for the violation of any vehicle registered with the DMV to a person whose name and address match University records.
C. The absence of a “No Parking” sign does not mean that parking is allowed. Vehicles shall not park at any time in crosswalks, fire lanes, yellow-hashed areas, campus streets/drives and parking lots where parking is not designated by stall lines.
D. Annual permits expire August 15, of each academic year, unless noted at time of purchase. Fall semester permits expire at the end of Fall Semester finals. Spring permits expire August 15.
E. UNO assumes no responsibility for damage to or contents of any vehicle parked or driven on any University property.
F. Abusive behavior towards Parking Services staff is reported to Student Conduct for students/residents or supervisor for faculty/staff.
G. Permit-free, open parking in general use spaces occurs on days when classes are not in session. Exceptions are pay-to-park spaces in Lots C and M (7 stalls), reserved and handicap spaces, driveways, loading zones, motorcycle areas, carpool spaces, compact spaces, yellow-hashed areas, visitor spaces, EV charging spaces and fire lanes. University lots may be closed at various times because of reservations, repair, hazards, etc. Notification of closures/updates can be found in MavDaily, Bullseye, Facebook and Twitter. Open parking dates are on the website under Announcements.
H. Timed areas are enforced based on posted time restriction. A separate violation will be issued as you exceed each posted time restriction. This applies to pay-to-park zones, loading zones and timed visitor lots. (Ex: a vehicle in a 30-minute loading zone could get a violation for each 30 minute time segment) Vehicles parked in a timed area overnight will receive a $100 violation instead of a $30 violation every exceeded time restriction.
I. A valid permit is required from 7 A.M. to 7 P.M. (M-Th) and 7 A.M. to 5 P.M. (F).
J. FRIDAYS ONLY: Dodge Campus observes permit-free parking for general use spaces in the East and West Garages only. Dodge surface parking will require a valid surface permit until 5 P.M. All Scott Campus faculty/staff and student lots including the Pacific Street Garage observe permit-free parking for general use spaces. Scott Resident lots and visitor lots are excluded. Scott Garage permits can park in Scott surface lots.
K. A license plate may be registered only on one (1) account at time with Parking Services.
L. Only two (2) vehicles can be registered to one permit/account, including rental and temporary vehicles when needed. When a vehicle is no longer used, the vehicle must be removed from your account. Two (2) vehicles on one account, with one (1) permit, cannot be on campus at the same time (within the same hour).
M. Compact spaces are for compact vehicles only. Vehicles may not exceed stall lines.
N. Faculty/staff/students/residents cannot park in the following Lots: C, D, E, K(V), M(pay-to-park), and 3, 8, and 9 (SCC).

Parking Services will not read/look at VINS if a plate is on the vehicle.

A. Refunds will not be issued if outstanding violations remain on MavPark or MavLink. No refunds will be issued for any reason for a payment received in a different fiscal year.

If the appeal does meet the Standards of Appeal, it will be sent to the Traffic Appeals Commission for student appeals or the Faculty/Staff Appeals Court for faculty/staff and visitor appeals for review and decision. Parking Services will email the appeal decision to your UNO email address.

H. If an appeal is denied, the charge for the outstanding violation will be transferred to MavLink after eight (8) calendar days. If denied by the Ticket Appeals Commission, the student/resident has the right to appeal the ticket within 30 days of the date of the Commission denial to the Student Court.
