

Learning another language not only opens personal and professional doors, but also allows you to experience the world in new ways through the development of a deeper cultural awareness.

In the Department of Foreign Languages and Literature at UNO, our goal is to provide students with the linguistic and cultural proficiency required of a global education. Language study at UNO provides a myriad of opportunities to use the language you are studying both within and outside of the classroom through study abroad opportunities and engagement in the Omaha community. Award-winning faculty, small class sizes, technology-enhanced curricula, and opportunities to connect to other students characterize our programs.

If you are interested in developing your linguistic skills as well as an international perspective, the Department of Foreign Languages and Literature at UNO is the right choice for you.
