

University of Nebraska at Omaha
ENGLISH DUAL ENROLLMENT
GUEST SPEAKER REQUEST
2017-2018

The Dual Enrollment Program of UNO's Department of English wishes to support DE teachers in a variety of ways, including funding teachers' continuing education for credit and professional development opportunities, materials purchases, and educational activities for students. We also wish to make available to you the expertise of Department of English faculty members. Dual Enrollment teachers are thus encouraged to request guest faculty speakers for their classes.

To request a speaker on a particular topic, or even a specific speaker, please complete the form below and send it to the Department of English's Dual Enrollment Coordinator, Chuck Johanningsmeier (jmeier@unomaha.edu). If no specific faculty member is named, he will make every effort to identify a potential speaker and put you in touch with him or her to schedule a lecture, presentation, workshop, or whatever else you have in mind. There is no cost to you or your school district: if applicable, we will offer UNO faculty a small stipend for the work they put in to preparing for your educational event and attending it.

1. Applicant Information

Name: _____

School/Department: _____

Phone: _____

Address: _____

E-mail: _____

2. Speaker Information

Desired Area of Expertise: _____

Name of UNO Faculty Member, if you wish to request one in particular: _____

Date(s) on which you would like the speaker to be at your school: _____

How many classes and students do you anticipate the speaker addressing? _____
