ENGLISH DUAL ENROLLMENT
COURSE TUITION AND FEES REQUEST
2019-2020

The Dual Enrollment Program of UNO's Department of English wishes to support DE teachers in a variety of ways, including funding teachers' continuing education for credit. This funding is available not only to teachers needing to complete coursework in order to be credentialed as Dual Enrollment teachers, but also to those who simply wish to take courses they feel will expand their knowledge base and improve their teaching.

If your request is approved, UNO's Department of English will pay for both your tuition and fees (but not books) related to a graduate-level course at UNO (not at any other institution). Should you already have a Master's Degree in English but wish to take courses for further credit, we will also pay the applicable application fee for you to become a non-degree-seeking graduate student. While we will occasionally fund the requests of Dual Enrollment teachers who wish to take a course in a non-English subject that will enhance the teacher's teaching, we will not pay for Dual Enrollment teachers to take courses leading to a degree in a subject other than English.

If you wish to take a master's-level course in English or a related subject, please complete the following form and send it to the Department of English's Dual Enrollment Coordinator, Chuck Johanningsmeier (jmeier@unomaha.edu).
