

## Taking the EPPE

### Instructions:

You will have 90 minutes to complete this exam. Please use all of your time to craft a strong essay. Be sure to closely read your essay prompt so that you can accurately answer your selected question. Construct a thesis driven well-reasoned argument with ample support. Explore your ideas with depth and honesty. Craft sentences that are varied and well-constructed. Summarize the original author accurately and effectively integrate the author's points into your essay. Don't forget to proofread your essay before submitting it.

Answer all questions.

Your UNO NetID or NUID credentials (Username and Password) is required to take the English Placement Exam. (**NetID must be issued before you can log into and have access to Canvas. This could take a few days**).
