THANK YOU for agreeing to sponsor an intern from UNO's Environmental Studies Program. To receive credit, students must submit a completed internship agreement to their Environmental Studies advisor for approval. The purpose of this agreement is to help the intern and their sponsor establish specific, mutually beneficial goals for the internship period, to provide students with an understanding of what their sponsor expects of them, and to provide a basis for the sponsor's evaluation. You may substitute a copy of your agency's or firm's work agreement in lieu of this form.

INTERNSHIP AGREEMENT

This agreement is finalized only after signed by all three parties (student, sponsor, and faculty advisor). Approved agreements are a prerequisite for registering for an internship course.
