HOLOCAUST AND GENOCIDE MINOR
COURSE LIST - SUMMER 2022

The mission of the HOLOCAUST AND GENOCIDE STUDIES (HGS) minor is to provide a broad scholarly study of the Holocaust and other historical genocides. It is intended to provide students with the interdisciplinary intellectual tools to analyze the causes and consequences of the attempted destruction of national, ethnic, and racial groups, and prepare them for careers that focus on the methods of recognition, prevention, intervention, and prosecution of genocide and mass atrocities.
