

PHOTO REQUIREMENTS

Your application requires a **PROFESSIONAL portrait photograph** of yourself sent to premed@unomaha.edu. It is likely that this photograph will be sent to the medical schools to which you apply.

You must be wearing professional business attire. Hair, face, clothing, and other features must be:

- **Conservative.** Men should wear a conservative **white** dress shirt with a conservative tie; a suitcoat is required. Remove all facial piercings and non-natural hair colors; limit earrings to one pair for females.
- **Modest.** This includes covered shoulders and high neckline for females.

UNO has an arrangement with, and students are expected to use, The Village Photographer to receive a professional photo. They offer UNO Pre-Med students a special rate for photos. Students who wish to substitute a previous professional photo of equal quality and compatible characteristics must receive PRIOR approval from the Pre-Medical Committee chair at least 4 weeks before submitting your application.

Contact The Village Photographer at www.thevillagephotographer.wordpress.com or (402) 551-4205 to arrange a photo.

Applications may be rejected if a photograph is not acceptable or is not received by the due date of the application.
