Ancient Egypt

HIST 2990-820 People and Issues in History

Join us for a wonderful adventure as we explore the rich history of one of the oldest civilizations on earth: Ancient Egypt. We will begin in Pre-Dynastic Egypt, moving through the Age of the Pyramid Builders, through the First Intermediate Period. We will then study one of the most spectacular periods of Ancient Egypt: The New Kingdom. Beyond this time we will study the decline of Ancient Egypt until the end of Pharaonic Egypt with the death of Cleopatra VII and the Roman Conquest. This class will explore the history, religion, art, archaeology, and lives of the Ancient Egyptian people.

Instructor: Kimberly King, Lecturer
