

Poster Competition

UNO Mathematics Department

The Department of Mathematics, UNO, is organizing a poster competition. You are encouraged to participate in the competition. The details are as follows:

Description: The poster has to be based on analysis of real data. Any data you are currently working on can be used. You can participate as a single participant or as a team of 4 or less members. There will be two categories: undergraduate and graduate. Graduate and undergraduate students cannot form a mixed team. The team has to be strictly either undergraduate students or graduate students.

Registration: Registration is free for any UNO students. Registration needs to be done by sending an email to Deborah Challman dchallman@unomaha.edu by March 1, 2017. Please include the following information in the email to register:

Title:	Title of the poster
Authors:	Name of the team member/members
Category:	Graduate or undergraduate
Abstract:	An abstract of no more than 500 words

Final submission: The soft copy of the poster is due on April 22, 2017. You need to send it by email to Deborah Challman. The dimension of the actual poster cannot be bigger than 48x60 inches. You may need to present your printed poster in front of a team of judges. The date and time of the presentation will be announced later.

Prizes: There will be prizes awarded under each category: Undergraduate and Graduate as follows:

First Prize:	\$500
2 nd Prize:	\$200

Sponsor: The prize money is a generous gift from Mr. Patrick Kerrigan, a Math Department Alumni.
