

Research Conversations 2024

Glacier Creek Preserve
14810 State St.
Bennington, NE 68007

23 March 2024 – Saturday

9:00 am to ca 2:00 pm

Faculty – Staff – Students – Interested Public

Research Conversations is an opportunity for those conducting research at Glacier Creek Preserve to share with other investigators either results of their efforts to date or plans for future research. The event is also intended to provide a venue to encourage discussions among those attending for possible future projects.

For others, the event is an opportunity to learn about the kinds of research being conducted at the Preserve.

Coffee – Juice – Snacks starting at 8:30 am

Pizza served around 12:00 pm

RSVP appreciated but not required.
