

# *Research Conversations 2023*

Glacier Creek Preserve  
14810 State St.  
Bennington, NE 68007

4 March 2023 – Saturday

9:00 am to 12:00 pm

Faculty – Staff – Students – Interested Public

**Research Conversations is an opportunity for those conducting research at the Preserve to share either the results of their efforts to date or plans for future research at the Preserve. The event is also intended to provide a venue to encourage discussions among those attending for possible future projects.**

**For others, the event is an opportunity to learn about the kinds of research being conducted at the Preserve.**

*Coffee – Juice – Snacks at 8:30 am*

*Pizza served around 12:00 pm*

RSVP appreciated but not required.
