

## **NOTICE: Temporary entrance to Glacier Creek Preserve at 147<sup>th</sup> and State Street**

With construction on State Street all vehicles must approach Glacier Creek Preserve from the intersection of 144<sup>th</sup> and State to access the Preserve's temporary entrance. Please drive around the partial barrier at the intersection of 144<sup>th</sup> and State and then proceed west on State Street to the temporary entrance at 147<sup>th</sup> street. Turn right onto the temporary gravel drive. The rock on the temporary entrance is soft, so visitors should be careful as they enter. See the photo below of the temporary gravel entrance.
