DID YOU KNOW ...

Most teaching jobs have better **retirement benefits** than other jobs you can get with the same degree.

There are **student loan forgiveness** programs and **scholarships** for physics teachers.

You can get a job **almost anywhere** in the **U.S. or abroad** as a physics or math teacher.

Behind **every advance** in medicine or technology is a **teacher** who left a lasting impression.

100%

job placement rate. Most UNO students have a job offer before graduation.

\$17,500

per year scholarships available for UNO physics education majors.

\$60-100k

average mid-career salary for a physics teacher on a 9-month contract.

\$10,000

more valuable per year. Teacher's retirement plans compared to industry.

options w/ a flexible physics degree: engineering, medical, science, and tech careers also open to you.
