Choose from the Psychology Distribution Requirements, Labs, or any other 3000- or 4000-level Psychology course offered.
**University General Education Requirements**

All students are required to complete University General Education requirements. For information, consult your advisor or visit www.unomaha.edu/general-education/index.php.

**College of Arts and Sciences Requirements**

Students must complete one of three alternatives (in addition to the psychology major):

1. Complete any UNO minor (not a Psychology minor);
2. OR take additional General Education courses;
3. OR Complete a second UNO major

Meet with your academic advisor to learn more and to choose the right option for your goals.

**Requirements for the Psychology Major**

Students earn either a Bachelor of Arts (B.A.) or a Bachelor of Science (B.S.) degree in Psychology. The following sections outline required courses for a major in Psychology. These courses are in addition to the University General Education requirements and the College of Arts and Sciences requirements.

**Bachelor of Arts in Psychology**

The B.A. degree program requires completion of a foreign language through the intermediate level IN ADDITION TO the Psychology courses required for the major.

**Bachelor of Science in Psychology**

The required courses for the B.S. degree program are taken IN ADDITION TO the Psychology courses required for the major.
