If you have a SONA account, log in here.

If you are new to SONA, create an account here.

If you have a SONA account but forgot your password, click here.

If you are creating a new account:

Your login information will be emailed to you as soon as you request the account, so you may login immediately. You will need to check your email for specific login instructions. If you have junk mail (spam) filters configured for your email, please configure the filters to accept email from `unomaha-admin@sona-systems.net`, as emails from the system will often be sent from that address.

You must choose a user ID that is not already in use, and also specify an email address that is not already registered in the system. User IDs may be up to 30 characters in length and contain letters and numbers. This form should only be used by participants. Researchers will have their accounts created for them automatically.

****Note:**
E-mail addresses with the domain **cox.net**, among others, may not accept system messages from SONA. Please use your **unomaha.edu** address when requesting an account.

Younger than 19? Nebraska law requires you to file a Research Participation Permission Form with the Psychology department before you can participate in any studies.

ACCOUNT INFORMATION

Email Address (re-enter for verification)

Telephone (optional)

Course(s)
PSYC 1010-001 INTRO TO
PSYC I (9-9:50am MWF)

Fill in information here.

Indicate which courses you are currently enrolled in.

Pay close attention to these notes, especially if your primary email account domain is **cox.net** or if you are **younger than 19 years old**.

Your SONA dashboard (after logging in):

The dashboard features a top navigation bar with links for 'Studies', 'My Schedule/Credits', and 'FAQ' on the left, and 'My Profile' and 'Logout' on the right. A system message banner at the top reads 'System Message: Acknowledgment Confirmed.' The main content area is divided into several sections: 'Study Sign-Up' with a 'VIEW AVAILABLE STUDIES' button; 'Credits Overview' showing 'Credits Earned' (0) and 'Credits Pending' (0); 'My Schedule & Credits' with options to view appointments, participation, and earned credits; 'My Profile' with options to change password, contact information, and email address; and 'FAQ' with a search for common questions. 'Upcoming Appointments' shows 'No Upcoming Appointments'.

Search and sign up for studies here.

Check on more specific information about studies and credits here.

Most questions that you might have about SONA are covered here.

Make any changes to your profile here.

This is a basic summary of your credits for the semester.

This shows times for studies you signed up to take.

An example of looking for a study:

Available?	Study Information	Eligibility
	Online Study-The effects of depression,academic performances and substance abuse on self-continuity (2 Credits) (Online Study) This study asks questions about depression, alcohol use, academic performance and what effect it has on self-continuity.	Must be atleast 19 years old.
	Lab Study - Examination of Subjective and Physiological Reactivity in Young Adult Smokers (3 Credits)	See above in the study description.
	SAMPLE (1 Credits)	<u>Prior study restrictions</u>
	Lab Study: Transfer of Workpractice Study (4 Credits)	
	Lab Study - Adult Novel Word Lexicalization session 3 and 4 (6 Credits) (2-Part Study)	<u>Prior study restrictions</u>
✔ Timeslots Available	Online - Rating Comic Strips (2 Credits) (Online Study)	Participants must be at least 19 years old.
	A Lab Study - General Education Curriculum Discussion (3 Credits)	
	Online Study: Organizational Trust and the Effects of Control Mechanisms - Main Study (1 Credits) (Online Study) This study examines decision making and trust.	Participants must be 19 years of age or older
✔ Timeslots Available	Lab Study - Adult Novel Word Lexicalization (7 Credits) (2-Part Study)	

Before signing up for a study, make sure you are eligible to take it.

In this example, only these two studies are available (meaning the other studies listed are not open to participants).

A Lab Study means you have to show up to a physical location on campus at a designated time.

An Online Study means you can participate in the study anywhere and anytime before the deadline.

An example study description:
