

College of Arts and Sciences
Student Organizations Support Grant Application

Department/Program _____

Student Organization Name _____

Student Organization Status* (please check)

Emerging (not formed yet, but students have expressed interest)

New (newly formed student organization, in process of formal UNO recognition)

Existing (active or inactive student organizations formally recognized by UNO)

*Faculty advisors should check out the [UNO Student Organizations](#) website and get familiar with the [Presence](#) platform.

Funding Request for Semester (please check)

Fall 2023

Spring 2024

Budget (up to \$500)

Student Programming (**total**)** \$ _____

Faculty Professional Development (**total**) \$ _____

**Examples of programming expenses might include pizza and soda for a student organization recruiting event, a small stipend for a community speaker, materials for a student organization project, etc. Please see back of page for detailed budget example.

Student Involvement

Please provide three to five names of students who are involved in or interested in participating in the organization. If this is an existing student organization, please list officers, if appropriate.

(cont.)

Narrative and Budget

Please attach a brief description of how funding for both programing and professional development will be used. Include hoped for outcomes, program milestones and proposed meeting dates, as well as detailed budget (see example below). Narratives should be no longer than 250 words.
