UNO CBA Accounting Department Corporate Partners Program

Request: $3,500 per year or $10,000 for three academic years

Description: The Accounting Department Corporate Partners Program is an opportunity for companies to partner in preparing graduates who will thrive in the increasingly complex and challenging accounting profession. Your financial support provides critical resources for students, research and professional development programs.

Corporate Partners Exclusive Benefits:
• Logo recognition on website and digital boards in Mammel Hall, in Accounting Careers Program materials and events and at three annual Accounting Department events
• Priority participation and invitation to network with accounting students at Accounting Career Program events
• Planned communication with Accounting Department Chair and Careers Program Advisor at least twice each year

What Your Support Provides:
• Accounting Careers Program for all accounting students
• Student programs, including software, subscriptions and membership fees
• Student participation in national and regional competitions and conferences
• Faculty research, continuing education and conference travel
• Annual Accounting Department events, including Speakers Series, Outreach Breakfast, and “Not as Busy” Season Celebration

Accounting at UNO

UNO accounting students engage in high quality and practice-relevant learning experiences provided by experienced, engaging and well-qualified faculty. Opportunities for accounting scholarships, internships and membership in the Beta Alpha Psi honor organization are available to encourage and recognize scholastic excellence.

Accounting Accreditation by AACSB International

UNO’s Accounting Department has earned AACSB International’s specialized accounting accreditation in recognition of its premier undergraduate and Master of Accounting degree programs and outstanding faculty, students, and staff.

Summary Numbers:
• Degrees awarded 2013-2014: 98 BSBA-Accounting and 14 Master of Accounting
• Majors in Fall 2013: 279 undergraduate and 53 master students
• Faculty: 12 full-time professors and instructors.
