

INTERNATIONAL ECONOLYMPICS

EVENT #1: Produce a Product to Sell in Your Country (Team Event/ 3 or 4 students) **Concepts: Natural, human and capital resources; producers/production**
Directions: Give each team a “resource box” containing a variety of art materials (pipe cleaners, straws, paper, yarn, glue, scissors, etc.) Team should create a product to sell in their given country (toy, decoration, game) and name it.

EVENT #2: Market Your Country by Commercial (Team Event / 3 or 4 students)
Concepts: Marketing, advertising.
Directions: Each team will create and perform a commercial to advertise their country, including facts about important cities, foods, and tourist attractions.

EVENT #3: International T-Shirt Design (Individual Event / 3 or 4 per room)
Concepts: Producers/production; natural resources.
Directions: Each student creates a t-shirt design that shows their country outline, flag, and examples of important products and symbols. The name of their country should also be included in the design.

EVENT #4: Your Country on Display (Team Event / 3 or 4 students)
Concepts: Natural resources; products; money system.
Directions: Each team will be given a three-sided display board to create a visual picture of their country, including natural resources, imports / exports, money system, and important country facts. Computer graphics allowed are pictures of money, flag, and items difficult to draw by hand. No punch-out letters or downloaded info from website.

EVENT #5: Economic Jeopardy (Individual Event / 1 student per room)
Concepts: Review of all concepts at each grade level.
Directions: Students will answer jeopardy questions in four categories: Economic Vocabulary; Economics and Math; Give Two Examples...; Comparison Shopping; World Communities.
They will earn \$\$\$ for correct answers and student with the most \$\$\$ will win the grade level event.
