

# HIGH SCHOOL FINANCIAL LITERACY

## BINGO

Open a Savings account

Write down 3 short-term savings goals

Apply for a college scholarship!

Go to the Occupational Outlook Handbook and research your dream job (wage, education, projection, etc.)

Save \$100 this month

Find a credible article which gives you a suggestion for how much to save for retirement

Make an investment plan if you had \$500 to buy different company's stocks

Write down 4 long-term savings goals

Explain the difference between saving and investing (provide examples of each)

Find out how much your dream college charges for tuition

Find out the current auto loan interest rate at your financial institution

Create a weekly grocery shopping list with a budget of \$150 for a family of 4

FREE SPACE!

Donate or sell items you no longer use or need

Ask if there are any extra chores you can do for pay (and then do them)

Write the steps to take if you see an error on your credit report

Calculate how much you need to save a month to have \$100,000 in 25 years earning 6% interest annually

Create a business plan for a local business that your community needs

Keep track of ALL of your spending for 1 week

Make a weekly savings plan to have \$200 by a specific date (e.g. to buy a gift)

If you took a trip to France how many Euros would you have if you brought \$2500 with you?

Save \$50 this month

Apply for a part-time job (or summer job)

What percent of your credit score comes from "New Credit Inquiries"?

Earn and donate \$20 to your favorite local charity

April is Financial Literacy Month!

Work with your parents (if needed on certain tasks) to complete a BINGO!  
Complete all the tasks to get 5 in a row across, down, diagonally or go all out and complete a blackout!!!!
