

College of Communication, Fine Arts and Media Academic Amnesty Petition

A student may request to remove one or two semesters of UNO coursework from the GPA computation. If approved, all coursework will remain visible on the student transcripts with the added notation "*Academic Amnesty-Credits Excluded.*" By accepting academic amnesty, students waive their right to graduate with honors.

Students may petition for academic amnesty if they meet the following criteria:

- Currently enrolled in the College of Communication, Fine Arts and Media
- Successfully completed at least one full year of coursework at UNO (24 consecutive hours with a GPA of 2.5 or higher)
- Are at least four years removed from the semester or year to be removed.

Amnesty Process

1. After consultation with their academic advisor, the student is responsible for initiating the petition.
2. The petition should be submitted to the CFAM academic advisor who will forward it to the dean's office.
3. The student will be advised via email regarding the dean's decision.
4. Copies of the decision are sent to the registrar for processing.

Name _____ NUID _____

Previous Name (if different from above) _____

Phone _____

Email _____

I petition to have the following semester(s) removed from my cumulative grade point average (up to two semesters may be requested):
