Thomas Majeski: Wall Constructions 2004-2012

African American Masters from the Sheldon Museum, Middle Gallery

A photograph of an art gallery exhibition. The walls are covered with numerous small, circular ceramic plates, each featuring a different blue and white design. Several people are gathered in the gallery, looking at the artwork. The lighting is soft and focused on the wall displays. The floor is a light-colored carpet. A doorway is visible on the right side of the frame.
