

UNO ART GALLERY

EXHIBITION PROSPECTUS

Mission

The UNO Art Gallery offers exhibitions and other activities that supplement the Art & Art History program in the university's School of the Arts. As available, the gallery provides ancillary connections with and support for the School's other programs in Theatre and the Writer's Workshop. It also strives to be a national destination that fosters communication within the broader arts community and promotes dialogue on issues related to the visual arts.

Eligibility

The UNO Art Gallery welcomes proposals for exhibitions of artwork from all historical eras, media and genres of visual art. Proposals may be submitted by artists, curators, collectors or exhibition agents. Only small group (six or fewer participants) and solo exhibition proposals will be considered.

Proposals are accepted on a continual basis and will be reviewed in September, November, February and April. The exhibition schedule is normally set at least two years in advance.
