

December 1, 2017

Dear Orchestra Director/String Instructor:

I would like to invite you and your students to the annual UNO String Solo & Ensemble Olympics on Saturday, March 17, 2018, at the Strauss Performing Arts Center on the UNO campus.

This unique event is open to **all string students Pre-K through High School**. Students may register through their school or private instructor. There are no limits to the number of entries per school or teacher and each entry will receive a division rating and comments, or students may perform for comments only. Awards will be given to outstanding soloists, ensembles, and schools. Only orchestral string instruments will be permitted in the contest. Music selection will be determined by instructors.

A student may perform more than one solo, but must do so on a different instrument and with different music. Teachers must designate each student's solo classification. UNO does not provide an accompanist and accompaniment is not required, however, students are welcome to play with a taped accompaniment or an accompanist. There is no limit to the number of ensembles a student may perform with. Ensembles may be comprised of any combination of orchestral string instruments and must be between 2-12 students in size.

#### AWARDS

1. Schools will be classified based on the number of entries registered and include both individuals and ensembles (see next page for classification)
2. Medals will be given to the top five individual scores in each classification at each level (Pre-K & K, Elementary, Middle School, High School). **Note: medals will only be given to those scoring a 1 rating**
3. Certificates will be given to each member of the top five ensembles scoring highest at each level.
4. The top solo and ensemble scores from each school will be tabulated to determine trophy awards, awarded to the top schools in each classification at each level. To qualify for a school trophy in **any area** a school must have at least four (4) entries.
5. All participants shall receive participation certificates.

The emphasis of String Olympics is to provide a positive environment that contributes to building and maintaining strong string programs. It is one of the few events where all levels are given the opportunity to gain experience, receive positive feedback, and excel individually. It is an excellent opportunity to prepare students for school or lesson repertoire and the upcoming district contest.

To register by mail, please complete the enclosed form/s and postmark check and registration by **Friday, February 16, 2018**. Or, if you'd like to register electronically, you may complete the attached Excel sheet (save as Your Last Name - SO 18 - use the tabs at the bottom of the sheet to move between solo and ensemble) and send to Rose Rydberg at [rose.rydberg@gmail.com](mailto:rose.rydberg@gmail.com).
