

Welcome to UNOTheatre. You have found a safe and welcoming place to practice the craft of storytelling. We are looking forward to working with you and being a part of your academic journey. New students, look to the returning students as mentors and friends. As always, we encourage our upper division students to help our new students to settle in and find their way in an inviting and inclusive environment. Let's have a wonderful year and production season, full of creativity, exploration and community.

We invite you to the annual **THEATRE RALLY** on Sunday, August 21, from 4:00-5:30, live in the theatre. This is a great time to make connections that will last a lifetime and meet or reconnect with the faculty, staff and students in the program. You will hear about our productions and other special opportunities and have a chance to ask lots of questions. We consider this a mandatory and important meeting so we hope that you will make every effort to attend. We are looking forward to a great turnout. I hope that it includes YOU. By the way... **FREE FOOD**.

We have a wonderful season ahead of us that will offer challenges and rewards at every turn. Whether you are performing or on production crews. I encourage you to embrace opportunities for growth and exploration this year. We have important and entertaining stories to tell and we cannot wait to hear yours. **Best advice:** Jump in with both feet and be present in class, productions, and all that you do. Please ask lots of questions. We are here to help.

In the section to the left, you will find important links and details regarding auditions, callbacks, portfolio reviews and tech interviews. If you have any questions, please reach out to me or any of our faculty and staff. We are here for you and we are looking forward to another exciting year at UNOTheatre.

Most importantly, take risks, try, fail, try again, succeed and learn. Break a leg!
