PHYSICAL MAKING IN THE DIGITAL AGE

Featuring Mr. David Martin

Nebraska Innovation Studio

February 1, 2019

12:00 - 1:15 pm | H&K112

Parking Available in Lot T

ABOUT MR. MARTIN

David Martin is director of Nebraska Innovation Studio, a 16,000-square-foot makerspace at Nebraska Innovation Campus. Before that, he was an award-winning documentary producer with CNN's Medical Unit, working with Chief Medical Correspondent Dr. Sanjay Gupta. He has also written pieces appearing in the New York Times, Guardian, STAT news, the Philadelphia Inquirer, and other news outlets. Originally from Boston, David is a graduate of Haverford College and Columbia University Graduate School of Journalism.

LEARNING OBJECTIVES

- Look at how making and collaboration at a makerspace can affect our wellbeing as it provides the tools to prototype the next big thing

The presenter David Martin, MA has disclosed financial conflict of interest with Penn Medicine and Norton Healthcare. Members of the planning committee, Nick Stergiou, Ph.D., Jeffrey Kaipust, M.S., Angela Collins, M.A., Laura Rotert, B.S., and Jackie Farley, CPP have no financial conflict of interest to disclose.

ACCREDITATION STATEMENT The University of Nebraska Medical Center, Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT STATEMENT The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
