☐ Yes

☒ **No**

What are the most significant barriers or challenges your program is currently facing (e.g., enrollment, faculty resources, student support, accreditation requirements)?

Responses will not be used to evaluate or penalize program.

The information collected is for the purpose of informing broader understanding, identifying trends, and guiding future policy.

Faculty resources, Not enough faculty to admit to meet the demand of the qualified applicants. Space in the clinic to accommodate the needs of the practicum students. Limitation/regulations regarding adjunct faculty not counted towards the CACREP standards.

What successes or available resources have contributed most to your program's growth, effectiveness, or ability to support students?

Responses will not be used to evaluate or penalize program.

The information collected is for the purpose of informing broader understanding, identifying trends, and guiding future policy.

Community Counseling Clinic which is preparing the students as they go into internship/advanced internship course work. Increase in the interest within the field. Passionate faculty invested in the student success.

What is CACREP doing well for your program that you appreciate?

Providing a good structure for counselor education and supervision. High standards and gate keeping processes well established.

What would you like to see CACREP do differently in its current services?

Evaluate the calculations of core to adjunct faculty numbers. Take into consideration the research, service invested by the faculty members.

What services or resources would you like to see CACREP add or develop that would better serve you and your program?

Site visits for reaccreditation needs better organized and trained/equipped well.
When offering training there is enough space/time to accommodate the needs.

Please provide a name **and contact email address** of the person completing this survey. This address will be used if the CACREP office has any questions about the information provided in this survey.
