		18		

*Student **must** coordinate with the Counseling Department's Clinical Training Director and attend any required orientation before enrolling in 8250.

*Hours of clinical practice in 8250 and 8260 must total 300 direct and 700 hours indirect and **MUST** be completed under the supervision of an approved licensed clinical provider and approved by UNO's Clinical Training Director.

*Provisional licensure determined by the State of Nebraska not the department. Must have the appropriate degree which is 60 credit hours and contains required courses as designated by the State in addition to the clinical work. The State application and information can be found on the State of Nebraska's licensing page.
